ACKNOWLEDGEMENT

We would like to take this opportunity to express our sincere gratitude to our project guide, Prof. Ms. Rupali Patil, Assistant Professor, Computer Engineering Department, for her invaluable support and guidance throughout the process in spite of her busy schedule and appreciating our diligent efforts and providing valuable inputs which helped us to mitigate many problems faced in the software development process.

We are grateful to her for her feedback which helped us track and schedule the process effectively. The time, ideas and encouragement that she gave is appreciable.

We would also like to thank Mr. Jayant Gadge, Head of the Department, for lending his support. We value the guidance, feedback and contributions given by all those who have directly and indirectly helped us in our project.
